Tickets are on sale [now](#) for this enchanting one-ring spectacle rich in French circus traditions. The Ottawa, ON stop is part of its much-anticipated, 28-city, North American debut tour.

Guests step into the enchanting world of **Cirque de Paris** for a spellbinding experience that promises 90 minutes of thrills, humor, and elegance. The international all-star cast includes mesmerizing aerialists, a skillful juggler, a roller skating daredevil duo, a dynamic elastic rope acrobat, a twirling hula hooper, and hilarious clowns, ensuring a captivating show for all.

Producer Anouchka Buglione, seventh generation of France's esteemed circus family, seamlessly melds the European circus style with her family's signature French touch in her debut show. After years of serving as the artistic manager, show producer, concessions manager, and as an artist in Cirque Alexandre Bouglione under her father, Anouchka realized her dream in January of 2023 by launching her own production. After touring Europe, she decided to introduce Cirque Bouglione to a new continent, sharing her rich heritage that spans more than a century and showcasing her passion for the circus arts with a fresh perspective.

The multi-talented cast includes members of the Buglione-Monteiro family as well as luminaries from around the globe. A performer as well as a producer, Anouchka Buglione enters the ring with a mesmerizing hula hoop performance as she continuously gyrates while adding hoops, building to more than 25 spinning rings. Anouchka's husband, Reinaldo Monteiro, wows the crowd with a new age laser performance, and daughter Selena dazzles with foot juggling. Anouchka and Reinaldo's son, Noah, sets an immersive environment by painting the stage with light and enveloping the audience with sound.

British-born Kevin Chaves performs a thrilling Rola-Bola act where he balances on boards stacked on cylinders, at one point climbing to 8 cylinders high. He is then joined by Selena and they step onto a small platform, demonstrating their agility on roller skates spinning rapidly and performing dizzying feats. Hailing from Cuba and living in France, Yosvany Rodriguez Pena performs his signature elastic rope act, performing intricate, acrobatic choreography on a flexible, tensioned wire. Pena is joined by his Italian partner Valentine Grasso to create Duo Ilusión, a breathtaking aerial straps act. Junior Neves impresses with his juggling prowess, at times juggling more than 10 items at once. Humor abounds throughout the extravaganza with three of the most-famous clowns on the Iberian peninsula: Angelo Chaves, Portugal's Crown Jewel of Comedy; and Pedro Santos, Sr. and Pedro Santos, Jr., the "Rampin Clowns" of Spain.

Noted for it's exquisite beauty and exceptional artistry, **Cirque de Paris presented by Anouchka Buglione** delivers an afternoon or evening of enchantment the entire family will love.
